

## Postage and Packing Costs

Postage costs depend on the weight of each pack. We try to pack all card orders so that they can be sent as Large Letters, as this gives better value than package rates. Unfortunately, because of their length, the calendars have to be posted as packages, hence the higher price for postage.

To calculate how much postage and packing will cost for your order, please use the tables below.

| Card              | Weight | 1 pack | 2 packs | 3 packs | 4 packs |
|-------------------|--------|--------|---------|---------|---------|
| Feeling Sheepish  | 160g   | £0.75  | £1.00   |         |         |
| Christmas Treat   | 160g   | £0.75  | £1.00   |         |         |
| Do you hear?...   | 140g   | £0.75  | £1.00   | £1.00   |         |
